

Designer Jewelry Collection Summaries

Stop by our showroom floor to see the latest styles created by these designers.

Kabana

Silver Collection - Designed for the latest trends in fashion, Kabana has an up-to-date collection of fine sterling silver with 14kt. gold. Designers have incorporated semi-precious stones like malachite, blue topaz, yellow citrine and many others to finish each piece.

Opal and Black Onyx Inlay - A unique collection of 14kt. and 18kt. gold jewelry designed to lavish the colors and beauty of semi-precious stones.

22kt. Yellow Gold - A collection rich with color and old tradition. This collection offers consumers beautifully designed pieces of jewelry using an ancient style of bead work done in 22kt. gold.

Diamond Marriage Symbol

The Diamond Marriage Symbol is a design in either 14kt. Yellow or white gold with diamonds. It is a perfect gift for your significant other with three diamonds representing past, present and future in the interlocking circles representing marriage.

Gay Freres of Paris

Created in Paris since 1825, the collection is exclusive to The Diamond Jewelry Factory in Houston. High quality 18kt. yellow and white gold designed with the wearer in mind.

Artcarved

Wedding rings. Created in 14kt., 18kt., Platinum and Titanium, Artcarved has been the leader in the bridal industry for decades. They are the only company that offers a lifetime fit on their wedding rings.

Gonshor

Platinum and 18kt. extraordinary collection of engagement rings. Wedding sets and anniversary rings. Traditional looks with first quality diamonds.

Hot • Diamonds

Cool just got hot with these rhodium plated sterling silver and diamond collections. All designs feature brilliant cut diamonds set in sterling silver with sand- blasted highlights.
